## Welcome to the Renal Dietitians (RPG) Website!

Renal Dietitians (RPG) consists of Registered Dietitians and other clinicians who provide renal nutrition therapy interventions and counseling in

- dialysis facilities
- freestanding clinics
- hospitals
- private practice
- hospitals

Renal Dietitians is a dietetic practice group of the American Dietetic Association.

RPG's purpose is to offer leadership, direction and education to help members provide quality renal nutrition therapy. RPG promotes continuing education programs for renal dietitians and other health care professionals, and is an information resource for those who specialize in renal nutrition. Our group includes renal dietitians working with chronic kidney disease (stages 1-5), adult and pediatric dialysis, and kidney transplant patients.
