Research Grant Applicants:

Application form needs to be accompanied by 3 letters of reference from: supervision past, current, or future, faculty and/or colleague. Resume with documentation of practice in renal dietetics. Description of program in to which applicant is accepted or outline of research project planned including timeline, number of participants, purpose of study and outcome goals; and a brief financial statement, i.e., approximate cost of program and financing available. Applicant must be a current member of ADA-RPG for minimum of 1 year prior to applying. Mail 4 copies of the documents listed above the award chairperson, see below for mailing information

Scholarship Applicants:

Applicant must be a current member of ADA-RPG for minimum of 1 year prior to applying.

Your application must include: (1) proof of current dietitian registration and current ADA-RPG membership, (2) documentation of your career to date in renal nutrition (please include types of jobs, clinical renal experience, renal research, professional activities, etc. on less than one page), (3) current resume, (4) 3 letters of reference. References should be from your most recent manager, a faculty member from whom you have taken courses, or an advisor of the program you plan to enter, and a colleague who

works directly with you, preferably in the renal setting. Include an address and daytime phone number for each reference. (5) goal statement including your reasons for continuing your education and a statement of your plans once your educational program is completed (less than one page), (6) a description of the educational program you will enroll in with the estimated time line for completion, (7) proof of acceptance into regionally accredited degree program at a university, (8) brief financial statement (simply assure the Executive Board that you will be able to complete your program with this and/or other assistance, or on your own). Mail 4 copies of your application form and the above to:
